

REMARKS

In response to the examiner's rejection of claim 3 under 35 U.S.C. §112, second paragraph and claims 21 to 28 under 35 U.S.C. §103(a), claims 3, 19 and 21 to 28 have been canceled. Claims 1 and 2 have been corrected to correct minor informalities.

In response to the examiner's requirement to amend the specification to correct informalities relating to item numbers on the drawing figures, the following actions were taken: Replacement drawing sheets are provided for drawing sheets 2, 3 and 5. A redlined version of those sheets is also provided so that the changed made can be readily ascertained. In addition, the fourth, seventh, eleventh, twelfth, and fourteenth paragraphs of the Detailed Disclosure of the Invention section have been amended.

The foregoing is believed to be a complete response to the outstanding office action.

Respectfully submitted,
